This video-based Spiritual Gift Assessment is designed to help you identify your own spiritual gifts. Here's how it works. Watch the video. You'll see a series of 44 statements on the screen, one at a time. On a scale of 1 to 5, determine how accurately each statement describes you. Write your number in one of the eleven columns below (the video will tell you where to write your number). Once you've seen all of the statements, tally up totals in the spaces below each column.
